HOMEWORK: Day 3
(Outside of Class Assignments)

Assignment # 1: Complete the "Summary and Recommendations"

Using the google doc you began in class today, complete a final draft "Summary and Recommendations" section for your student.

/50 points

Assignment # 2: Special Populations

In the Materials section of your Course on the Open Access Website, you will find 5 "Special Populations Modules" which are "mini" units (slideshows) with background information and guidance on best practices for supporting students (with specific needs or challenges) using AAC.

- Autism Spectrum Disorders
- Childhood Apraxia of Speech – Borderline Talkers
- Motor Access Challenges
- Severe and Multiple Disabilities
- Visual Impairment

Pick and review TWO. Download to your desktop the Microsoft Word document "Special Populations – Reflection Questions" and complete for both modules you reviewed.
